

I suggest all government officials and others who trying to turn this great country in Nazi USA enroll in a course for constitutional education. Our forefathers were brilliant and brought forth these regulations and laws to prevent the erosion of those rights.

XM Radio is a high quality organization, with an excellent variety for all subscribers. As subscribers, we pay for services and other organizations do not have the right to determine what I choose to listen to.

As the old saying goes if you can not stand the heat, perhaps one should get out of the kitchen.
